## What if my activity does not proceed?

If you are successful in obtaining a grant and your activity and it does not proceed, you must contact the Sporting Clubs Officer at Greater Shepparton City Council in a timely manner to discuss the circumstances of the activity not proceeding, and organise returning the grant funds provided.

Council acknowledges, celebrates and supports the diversity of the Greater Shepparton community, as a tool to ensure activities and programs are inclusive of all. It is therefore important applicants demonstrate a range of diversity strategies within their application.

Greater Shepparton City Council will consider the equitable reach of this funding program during the assessment and final decision-making processes. Projects should support diverse communities including:

### **Gender Equality**

Council has a duty to promote gender equality through the Gender Equality Act 2020.

Applicants to Council's grant programs are encouraged to demonstrate evidence of how your organisation considers and promotes gender equality within their policies, programs and services.

### **Sustainability and Environment**

Council has declared a climate emergency and adopted a 2030 Zero Emissions target to address the causes and impacts of climate change that are already affecting our communities.

Applicants to Council's grant programs are encouraged to consider sustainability outcomes and the impact of their project on carbon emissions and minimise carbon emissions i.e. by using recycled products, reducing or eliminating waste, using local products or using renewable energy.

Applications that support communities to thrive under a changing climate will be highly regarded.

You are encouraged to visit the Greater Shepparton City Council website for more information on Council's commitment to the environment:

<https://greater-shepparton.com.au/animals-environment-and-waste/environment>

### **Final Acquittal**

You will be required to report back to Council when your project is completed. The Acquittal process is important because it enables Council to continuously evaluate the success of the program.

You must report back to Council within the timeframe provided in your funding agreement. The financial acquittal is an income and expenditure statement for the grant confirming that funding has been spent on the activity in accordance with the funding agreement.

Council officers may request meetings with you to check the progress or undertake an independent audit of the records of the applicant as they relate directly to the grant.

It is the responsibility of the applicant to maintain accurate financial records for the grant and make them available in the event of an audit by the Council into the use of the grant. An organisation which fails to submit their acquittal documents is deemed ineligible to apply for any future funding from Council, until their acquittal is completed and approved by Council.
